Dear Mr Jankel

Indemnity Form IFA243 and IFB243

Further to the completion of the Indemnity forms, I am pleased to confirm your agreement reference numbers are **IFA243 and IFB243**. These numbers should be quoted to the trust/hospital departments when placing equipment on a loan basis, thereby avoiding the necessity to sign numerous indemnity forms.

I have enclosed a copy of the numbered agreement signed by Marcus Brindle, Associate Director of Purchasing, for your records.

Your company's name has been added to the master list and will be distributed to Purchasing, and Modernisation and Performance Managers throughout the NHS Purchasing and Supply Agency.

Please note that the insurance policy document does not state the policy number, only TBA. Please forward the policy number to us as soon as available.

Yours sincerely

Cathy Szklar
MIA Administrator
