

Incontinence and Sexual Wellbeing Referral Scheme

TensCare Ltd are in contact with women's continence advisors and physiotherapists in clinics and hospitals across the country. We regularly supply them with leaflets and information on our iTouch Sure Pelvic Floor Exerciser unit. By providing these leaflets to your clients, you also take part in a referral scheme.

The iTouch Sure referral scheme involves us sending you our iTouch Sure leaflet which explains the features and benefits of the unit, how it works, and offers a 25% discount off the recommended retail price of £69.50. Each leaflet contains a referral code which is specifically assigned to you. This code entitles your patients to order one of our TensCare iTouch Sure units at the discounted price of £52.12 (including VAT, postage and packaging), whilst also generating a referral credit for you. Once you have accrued 7 referral credits, you will be entitled to receive an iTouch Sure unit or 10 vaginal probes.

If you have any questions regarding the referral scheme or would like any more information please do not hesitate to contact us:

Telephone: +44 (0)1372 723 434
